CANADIAN PARAPLEGIC ASSOCIATION ONTARIO

NON-ENDORSEMENT STATEMENT

Canadian Paraplegic Association (CPA) Ontario works on the principle of informed choice and as such, will work with an individual to ensure that they have knowledge and resources available to make an informed decision or choice.

In many CPA Ontario service areas, staff and volunteers are encouraged to share their life experiences related to living with a spinal cord injury or asked to share their working knowledge. Under no circumstances, however, will CPA Ontario staff and/or volunteers endorse any specific product or service. These products and services include, but are not limited to, equipment, personal supplies and legal services.

CPA Ontario welcomes sponsorship as a source of revenue generation for our agency. Sponsorship of a program or service does not constitute endorsement. Very specific practices are followed within our sponsorship program to ensure that ethical guidelines are followed.
